CleanReader Solutions
## Contactless Card Readers

Imagine a better technology.

CleanReader contactless card readers offer the best in security, ease of use for your customers, reduced maintenance, and the most capability of any reader in the market.

CleanReader Connect

All models feature:

- ⭕ Secure contactless card-reading capability with fast, accurate reads
- ⭕ Functional LED readout with amount and timer display
- ⭕ Universal machine support - software supports all available machine types
- ⭕ Low maintenance; no point of insertion for vandals
- ⭕ Built-in Bluetooth for configuration and use with CleanPay Mobile
- ⭕ Coin support

The industry's easiest reader to install

CleanReader contactless card readers are available in two models:

CleanReader Prime – offline reader

CleanReader Connect – connected reader, offering:

- ⭕ **CleanView:** A virtual view of the laundry room showing machine availability
- ⭕ **CleanAlert:** Email or SMS notification of cycle completion
- ⭕ Error reporting and machine statistics
- ⭕ Standard model includes Wi-Fi & Bluetooth
